# Meet the Team!

## Helen Wallis

**TADAA Principal & Teacher of Musical Theatre - The Interval, Act 2 Musical Theatre, Bidbury After School Club, Locks Heath Musical Theatre, Steps to Broadway, Musical Theatre Tots, Private Singing & LAMDA Tuition and Chairaerobics**

Helen's love for the stage and all things theatrical started at a very young age, but her career began in her teens when she was cast in a number of TV commercials, short films and feature films. She was also lucky enough to kick start her choreography career at just 18 when she choreographed a National Theatre Connections piece for the Nuffield Theatre. Throughout her teens and early twenties she could be seen in most local theatres treading the boards performing as a singer/dancer as well as backstage choreographing touring shows and in-house musicals. Helen went on to pursue a career in the industry from UK tours to singing and dancing abroad. In her late twenties Helen embarked on a career at sea joining cruise ships as a production singer and being promoted to assistant cruise director and finally cruise director. This wonderful role took her all over the world with lots of stories to share of her travels – and was where she met her husband! Her return to England was to start a family and she has been teaching ever since. As a professional choreographer, Helen's work has been seen in many theatre's across the South Coast in the last five years. Most recently she can be seen as the face of Port Solent advertising as well as a new Fuzzikins advert for a children's toy on TV! Helen is thrilled to be the Principal and Company Director of TADAA – a school that provides the very best in drama, dance and musical theatre to the children of Hampshire. I love seeing TADAA go from strength to strength – I am so proud of the school and every person that attends our classes – we really are a family!

## Ciara Ayre

**TADAA Teacher of Musical Theatre & Drama Prep, Musical Theatre Act 1, Performing Arts 1 & 2, Drama Act 1, 2 & Finale, Glee Club, Musical Theatre Tots, Curriculum Singing and Private Singing, Acting, Verse Speaking & LAMDA Tuition**

Ciara has shown her passion for theatre from a very young age. She was one of the first TADAA students in 2008, joining the company when she was 8 years old. She progressed into a student teacher at the age of 17, helping in Musical Theatre, Drama and Tots classes. Ciara became an integral part of TADAA by organising shows, guiding students through festivals and even co-writing, directing and producing TADAA's first ever pantomime in 2018. She completed her BTEC Level 3 Extended Diploma in Acting at South Downs College with a grade of Triple Distinction\* (D\*D\*D\*), covering a range of theatrical styles. As a teenager, Ciara was also involved with various amateur dramatic societies, performing in a range of genres including Shakespeare, Murder Mystery and Musical Theatre. In 2019, Ciara left TADAA to complete an intensive Acting course with The Year Out Drama Company in Stratford-Upon-Avon, working alongside the RSC and with various industry professionals. In Stratford, she developed her skills in acting, singing and dancing and was praised for her work ethic and commitment to projects. She gained valuable experience learning about the Arts Industry, rehearsal discipline and the importance of working as an ensemble, as well as developing her skills as an individual performer. Ciara returned to TADAA in September 2021 to teach full time and has since then completed her Diploma in Music Teaching for Contemporary Vocals. She aims to provide fun and interesting classes where students can learn new skills as well as gain confidence. She is passionate about providing a supportive and safe space for students to explore the different aspects of theatre and express themselves through performance. Ciara teaches a wide range of classes for TADAA, as well as tutoring students for exams in a range of performance disciplines.

## **Tasha Caulfield**

**TADAA Teacher of Hayling Musical Theatre 1 & 2, Bidbury Junior Choir, LAMDA Club and Private Singing Tuition**

Tasha has been performing professionally and teaching for many years. She has her Tap DDI, Modern DDI and LCM Singing Diploma which brings so much experience into the room when she is teaching her classes. When she isn't teaching, Natasha can be found gigging professionally as a singer around the Portsmouth area.

## **Cara Redman**

**TADAA Teacher of Popstars 1 & 2, Curriculum Dance Lessons and Private Dance Tuition**

Cara's passion is for dance – from the age of 3, she attended local dance schools and has studied ISTD Grades in ballet, tap and modern up to Advanced 1 level. She has also performed at many prestigious venues such as the Royal Albert Hall and Sadlers Wells in London and competed at National and International level including at Disneyland Paris. Selected to represent England at the IDF World Championships in 2016 and again

in 2019, the squad won a number of medals in a variety of categories. Cara placed first in her age category for tap in 2016 and in 2019 placed first in the adult tap duet category. Having studied dance at Chichester College and the University of Chichester, Cara is now a qualified ISTD dance teacher after completing the Level 4 Diploma in Dance Education which has laid the foundation to broaden her teaching horizons and develop her teaching into other dance styles. Cara is very much looking forward to joining the team at TADAA and passing on her passion and enthusiasm to younger students.

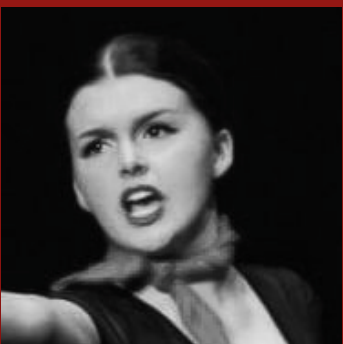

## **Brooke Pearce**

**TADAA Assistant for Performing Arts 2**

Brooke's passion for the arts began at a young age, immediately falling in love with performing since her primary school performances during Christmas and end of school production. Since then, she has been in many shows with TADAA, and began working as a classroom assistant at the age of 15 for Performing Arts 2, and her love of performing arts has simply blossomed beyond just performing to helping others feel the love as strongly as she does. She was part of The Theatre Training Company

with TADAA which she thoroughly enjoyed, and has been accepted to Chichester College doing a Level 3 Musical Theatre Course, where she wishes to follow with Drama School then West End performances.

## **Caitlin Biddlecombe**

**TADAA Assistant for Musical Theatre – The Interval**

Caitlin has loved theatre from a young age and joined TADAA in 2019 for Musical Theatre. Since this she has been a part of 'Anything Goes' with Stage One Youth Theatre, 'Summer Holiday' and 'The Lightning Thief' the musical at the Mayflower Theatre, local pantomimes and performed in variety shows at the New Theatre Royal, Portsmouth. During school she took part in productions and received a distinction in drama as well as a distinction in her Grade 6 Singing Exam. She is currently in the musical

'Honk' at the Mayflower Theatre and has just finished her first year at Chichester College studying Musical Theatre. For work experience, Caitlin is the Interval class helper which is helping her learn new skills which will help her in the industry and she loves it.

## Evie Nonclerq

### TADAA Assistant for Musical Theatre Act 1 and Performing Arts 1

Evie has had a passion for musical theatre since a very young age. She has always been involved in groups that had something to do with Musical Theatre whether that was outside of school or in school. When she got older, she wanted to take it more seriously so joined a Youth Theatre group called Stage One. Her first show with stage one was a charity show, for the main production Anything Goes. She enjoyed it so much that it made her want to do the next show but this time she

auditioned for a role. She didn't get a principal role, but she got a little part. She is now going on to do Les Miserables with Stage One and will be auditioning for the main roles Eponine and Cossette. She also works for TADAA and very much enjoys it.

## Jeanne Kamakoue

### TADAA Assistant for Hayling Musical Theatre 1 & 2

Jeanne's musical theatre journey began when she joined Stage One in 2019 and has performed in many shows with some including Frenchy in Grease and Serena in Legally Blonde. Through Stage One is how she met Helen Wallis the Principal of TADAA and was how she got the job being the musical theatre assistant at the Hayling Island class. She has really enjoyed being able to continue to work in the musical theatre department and although only having been there a short time, is really

proud of the journey these kids have made to perform this show.

## Millie-Grace Horan

### TADAA Assistant for Musical Theatre & Drama Prep and Drama Act 2

Millie has been at TADAA now for 10 years she has done loads of shows outside of TADAA with Rare productions. She recently completed her work experience with TADAA and now she has a job on Fridays as a Drama assistant.

## Molly Sharland

### TADAA Assistant for Popstars 1 & 2

Molly has been part of musical theatre and dance since a young age, performing in her first show with FMS in 2011, The King and I. She has most recently been given the opportunity to choreograph dances for FMSYT, Frozen Jr and a short compilation show. Molly has worked for TADAA for a few years doing birthday parties and workshops but most recently, in September 2022, was given a full time position as an assistant for Popstars!

## Ruby Rayner

### TADAA Assistant for Musical Theatre – The Interval

Ruby has been going to TADAA since 2018 and ever since she joined she has fallen in love with drama and musical theatre even more! She has loved being a part of shows with TADAA and in 2022 I was very pleased to join the TADAA family, assisting Helen with the younger musical theatre group. She is very proud of the students and their hard work and commitment in their wonderful performances!

# A big thank you!

We would like to thank everyone that has made today possible!

## The brilliant technical team...

Our Friends of TADAA Committee

All of our TADAA parents, friends, and family!

## A note from our Principal...

Hello and welcome to the 2023 TADAA summer show! What a fantastic lineup of talent we have in store for you today - from our youngest performers aged just 4 all the way up to our teens.

Thank you for being here today to watch these incredible children, who have worked so hard to bring you their show today so please make sure you make lots of noise for them.

As always a show cannot happen without an incredible team and here at TADAA we truly have the best team. A huge thank you to all of the teachers, assistants, helpers, chaperones, runners and parents. We cannot do this without you and will always be so grateful for your help.

I am so proud of each and every performer for getting up on stage today - for 90% of our students, this will be the first time on a stage! I also need to say an extra special thank you to my right hand woman Ciara who helps me so much to make TADAA what it is - I couldn't have done this without you!

Enjoy the show

Helen xx
