Anna Keefe – Almost There

Thank you so much for attending our fantastic fundraiser – we really appreciate your support! After their Connections project, Ciara gave our Finale Drama Class the original Pantomime script she and former TADAA Teacher Katrina wrote in 2018. The group then spent the whole of the Summer Term (as well as one Friday in the summer holidays!) editing and updating the script, making it their own, and transforming it into the production that our Waterlooville Drama students are currently rehearsing. We are so excited to share it with everyone when we perform the new and improved Panto in November, however, shows often come with many hidden costs, so our Finale Students decided we needed to raise money to help towards costumes, props and set. So, they set up their own fundraising committee to plan this event! Be sure to check out the various stalls they are running and ask them about the panto, they've worked really hard on it! A big thank you as well to the TADAA students performing this afternoon to help support the event, as well as all the TADAA parents for their ongoing support, we couldn't have done it without you! We hope you all enjoy your time with us this afternoon, so sit back, relax, and enjoy the show!
